Graduate Independent Study Form – Instructions

1. Discuss your independent study with a faculty member.
2. Once approved to engage in the independent study by the faculty member, complete the Graduate Independent Study Form.
3. The course number and number of credits must be completed and discussed with the faculty member prior to submitting the form.
4. Complete all areas of the form (Descriptive Title, Faculty Name, Statement of Objectives, Planned Activities and Criteria for Evaluation).
5. Sign and date the form and have the faculty member sign and date the form.
6. Return the Independent Study Form to the Graduate Program Assistant in the CICS Main Office.
7. After the Graduate Program Director signs the form, it will be entered into SPIRE by the Graduate Program Assistant.
8. If the independent study form is submitted to the Graduate Program Assistant after the add/drop deadline, an Add/Drop form must accompany the independent study form.
